

OPEN FOR BUSINESS

Macdonald Steel and Macdonald Steel DIY in Durban and Pietermaritzburg are all open for business within COVID-19 curfew hours from 4 May 2020.

To all essential service providers: we offer our 50-years of expertise as well an unlimited range of mild steel, special steel, DIY structural products and smalls, paint, security, welding products and workwear.

The health and safety of Macdonald Steel staff and customers is paramount - we conform to intensive sanitation practices on our premises.

Visitors are temperature checked before entering.

1.5m minimum social distancing is strictly enforced.

Access to our DIY shops is restricted to a 14-customer maximum.

Please remember to bring your CIPC essential services certificate with you.

Contact Avril on 031 450-5200 or adminsupport@macdonaldsteelsa.com for all information about pre-orders, collections and deliveries.

Contact details for entire our sales team are available on our website www.macdonaldsteelsa.com
